

Take I-84 west from Boise towards Nampa, Caldwell and Ontario. About 35 miles from Boise, take exit 13 (Stinker Truck Stop Exit) and follow signs to the Big Nasty. Allow approximately 50-60 minutes from Boise to arrive. Most people come in through the front gate but you can also get in via the back gate as shown above. The back gate route adds an extra 2 miles of twisty driving, but involves much less dirt road driving for motorhomes to get into the campground, (about ¼ mile, versus ¾ mile via the front gate).
